Dear Diary,

I go to Sunshine Secondary School with my sister, Nelly, and we love our school. Nelly's favourite place is the a. sports fields at school because she likes playing tennis with her friends there. I really like reading, and my favourite place is the b. library. Nelly is in the c. music club and likes singing songs in her free time. I'm a member of the d. maths club because I love solving problems. We're very different, but I love my sister!

CARRIE'S BLOG

Hi! I'm Carrie. I'm twelve years old, and I'm a student. On weekdays, I always get up at 7 o'clock and wash my face. Then, I have a big breakfast with my parents, and I brush my teeth. After I wear my school uniform, I go to school at 8 o'clock. In the afternoon, I come home and have dinner at 5 o'clock. Later, I often do my homework in my room. Before I go to bed, I sometimes play video games with my friends. At weekends, I usually go shopping with my mum and try on some new outfits.

5 Look at Tina's diary and the pictures in it. Then, write down what each person is doing. (5x3=15 pts)

Dear Diary,

Today, I am spending some time with my family at our beach house. Now, everyone is doing

different things. For example, my sister

a. **is taking care of the dog**

and they are having fun together. My brother

b. **is surfing**

I think he really loves water sports. My mum

c. **is taking a photograph**

of the lake, and she is interested in nature. My father loves nature too. He

d. **is cycling** with our neighbours.

Finally, my cousin Vicky is staying with us this weekend, and she

e. **is playing the piano** That sounds good, actually.

I love the beach house because everyone is smiling and happy here.
